

Who Is Your Doctor?

By Shivani Mehta

© Who Is Your Doctor? by Shivani Mehta

Shivani Mehta is currently a medical student, who is extremely interested in creating art that displays the many facets and intricacies of the medical field. In her most recent artwork, "Who is Your Doctor?" she portrays the drastic impact that artificial intelligence can have on patient care. Through pieces like these, she is able to combine her passion for art and medicine to address the most pressing issues in the field.
